About Us

As the largest platform connecting property buyers and sellers, DreamSquare Properties boasts over 2 crore monthly visitors and 15 lakh active property listings. With over 17 years of experience, DreamSquare Properties has evolved into a comprehensive service provider, offering home loans, interiors, and expert advice.

DreamSquare Properties also offers extensive research-based knowledge and insight-driven platforms like MBTV, India's leading online real estate YouTube channel, along with proprietary tools providing home buyers with price trends, forecasts, and locality reviews.
